Thursday, September 29

- Individual Student Pictures

Principal's Message - Dr. Jeanette Gerault

Dear Parents,

I am so excited to see each student back at school! Fiest staff members have been preparing for your children over the summer months and we are super excited to see them again. The year's theme is "Wild About Learning!" At Fiest we have awesome students, awesome staff, and an awesome school!

Last year we celebrated our 26th year with a rockin' year. Over the past twenty-six years, there has been a tradition of excellence built at Fiest Elementary. Our school continues to refine our instructional program to meet the needs of all our students and we are committed to continually improving our programs at Fiest.

I would like to thank all of you that support our campus and work with teachers and administration in order to aid in your child's success. With parents and teachers working together as a team, toward the same goal, every child will succeed. In order to give each child the best opportunity for success, we keep children first in all that we do. If we honor the pledge to keep children first, then it follows that education is our #1 priority. The staff of Fiest Elementary looks forward to the opportunity to work with you as partners in education.

The staff at Fiest Elementary wants to make this a successful year for your child. Your active support and cooperation, combined with our best professional effort, will ensure academic success for your child. Please be sure to review the information contained in the Fiest Student Handbook so you and your child will understand the expectations and procedures of our school. If you have any questions, feel free to contact your child's teacher or the office.

As your child's principal, I ask that you continue to support your child and their teachers in your child's education. It is also imperative that you stay informed about key issues facing education today. Please register to receive Fiest School Messenger emails that will inform you of updates and school events. To find out how to register, please read through the document "Obtaining School Information" in your child's first day packet or on our website. This will tell you how to get the latest information about school events and how to obtain the school newsletter. This information can also be accessed on-line at our school webpage. Go to www.cfisd.net, select Campuses, Fiest. We also have active Facebook and Twitter accounts to keep you updated!

I look forward to a **WILD** year together and to a continued partnership with the school and our families.
